Head Teacher: Mike Bennett

Dear Parent/Carer,

We would like to formally invite you to an evening celebration of your child's' commitment and dedication to their Duke of Edinburgh Bronze Award on Thursday 29th November at 6pm. At Ridgeway Academy, we recognise achievement both in and outside of the classroom and place heavy emphasis on developing the whole pupil.

I am elated that over 80% of those enrolled have completed which is above national averages and shows how the pupils have applied themselves over the course of the last academic year. We would like to celebrate this achievement with a presentation by the pupils about their experiences of the award and then finally award them the official certificate for the bronze stage.

I will then do a short presentation about the next stages in the process and how to enrol if your child should wish on our silver programme.

We hope to see you on the 29th, please complete the attached slip to confirm your attendance by Friday 16th November.

Yours Sincerely,

Mr J Worton

Duke of Edinburgh Coordinator.

Reply Slip

I will / will not be attending on the evening of the 29/11/18.
