

## Early Help for Children and Families at Ridgeway Academy

Providing early help to our pupils and families at Ridgeway Academy means we are more effective in promoting support as soon as we can. Early help means providing support as soon as a problem emerges, at any point in a child's life, from the foundation years through to teenage years.

At Ridgeway Academy, our Pastoral and Safeguarding team meet once a week to discuss any concerns. This team includes:

Mr Bennett – Head teacher – Deputy Safeguarding Lead

Mrs Bishop – Deputy Head teacher – Deputy Safeguarding Lead

Mr Clarkson – Assistant Head teacher – Designated Safeguarding Lead (DSL)

Mrs Trevethick – Assistant Head teacher - SENCo

Mrs McNamee – Teacher assistant – Deputy Safeguarding Lead

Mrs Gibbs – Pastoral support

Mrs Cuscito – Pastoral support

At these meetings we discuss:

How the child presents	Behaviour	Attitudes to learning
Friendships	Family issues	Additional needs
Any support they receive	General progress	Other agencies involved

This allows us to identify any pupils and families that would benefit from early help and allows us to help them access the services in the school and beyond the school.

### PREVENT TRAINING – Radicalisation.

Mr Clarkson has received PREVENT training and has trained the team on how to identify the early stages of radicalisation and what to do. We follow the mantra;

NOTICE

CHECK

SHARE

All staff have completed the Channel online training.

### Child Sexual Exploitation

All staff at Ridgeway Academy have been trained to identify early cases of child sexual exploitation. At school we use the CSE Screening tool if we have concerns.

### Female Genital Mutilation

All staff have received training on FGM. Teachers know how to identify if a child may be at risk. They know the signs to look for and most importantly how to refer, following the schools safeguarding procedures.

## **At Ridgeway Academy we meet the needs of our children through a variety of ways:**

**Pupil Voice** – pupils are actively encouraged to speak about any concerns they have to a member of staff or to our pastoral team. In lessons children are taught to speak openly about their emotions. Pupils know the staff take all their concerns very seriously. .

- Children's questionnaires ascertain if they feel happy and safe
- E-safety assembly delivered to all pupils
- E-safety presentation offered to parents
- Our local PCSO conducts assemblies for E-Safety, SEXTING and other relevant topics
- The 'Lodge' is available throughout the day for arranged appointments and also for unexpected issues
- Our school council have a huge role in pupil voice and they meet with Mr Clarkson every fortnight
- Staff CPD around pupil self-esteem and how to give 'poker chips'.
- Senior Leadership Team presence during unstructured times
- School nurse offers fortnightly drop in appointments and has delivered an assembly to pupils.
- The DSL meets the community police officer, PC Downes on a half termly basis

## **ATTENDANCE**

Mrs Bishop is the lead on attendance. She monitors this weekly and follows our attendance policy to support pupils and families with attendance below 90%. The aim is to offer help and solutions to any problems. Parents can access their child's attendance live via Go4Schools.

The school operates a first day response system.

## **SAFEGUARDING**

- All teachers and staff know precisely how to identify and report concerns, via staff training on induction and our regular updates on safeguarding.
- Child protection files are kept by the DSL.
- ATTENDANCE team follow missing from education guidance.
- All new staff complete safeguarding inductions.
- We have a designated teacher for children in care.

We have a record of annual recording that all staff have read Keeping Children Safe in Education (Sep 2018).

## **Behaviour for Learning at Ridgeway Academy**

### **The school encourages and rewards pupils for being Champions on a lesson by lesson basis**

Pupils are rewarded by end of term treats and other entitlements for meeting certain targets. Our school behaviour policy is followed for pupils displaying unwanted behaviours. Parents can access their child's behaviour for learning record via Go4Schools.

## **Pastoral Support**

Mrs Cusito and Mrs Gibbs work with pupils and families to support their needs whilst also signposting them to relevant agencies. With families consent, we can refer families for further family support.

## **SENCO**

Mrs Trevethick works with children and families with additional needs and can signpost parents to many different agencies.

### **Designated Safeguarding Lead (DSL)**

The DSL (Mr Clarkson) ensures rigorous and robust systems are in place within the school to ensure the safety of all of our children.

In **Keeping Children Safe in Education 2018** it makes it clear that ALL staff should be aware of their local early help process and understand their role in it. In addition this statutory document makes it clear that any child may benefit from early help, but all school and college staff should be particularly alert to the potential need for early help for a child who:

- Is disabled and has specific additional needs;
- Has special educational needs (whether or not they have a statutory education, health care plan);
- Is a young carer;
- Is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- Is frequently missing/goes missing from care or from home;
- Is misusing drugs or alcohol themselves;
- Is at risk of modern slavery, trafficking or exploitation;
- Is in a family circumstance present challenges for the child; such as substance abuse, adult mental health problems or domestic abuse;
- Has returned home to their family from care;
- Is showing early signs of abuse and/or neglect;
- Is at risk of being radicalised or exploited;
- Is a privately fostered child.

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school or PRU.

The coordinated **RA offer of Early Help** is outlined in the table below. We believe that early interventions for children or families, in many cases, will prevent children from experiencing harm.

RA will refer to appropriate agencies when help is required to support children, young people or families or to prevent harm.

**All RA staff must be aware of the RA offer of early help. At all times all staff should consider if there is any offer of early help that we can make in order to help a child thrive.**

**We also liaise with other agencies and people within the local community and in the table below are some National organisations that can support Children, Young people and their Families**

E-safety (Online Safety)	<p>Online Activity (phones, computers) can be a <b>serious risk</b> to children: The use of technology has become a significant component of many safeguarding issues. In certain cases it may be difficult to take action</p>

Honour based violence (HBV)	<p>Honour' based violence (HBV) occurs when perpetrators believe a relative or other individual has shamed or damaged a family's or community's 'honour' or reputation (known in some communities as izzat), and that the only way to redeem the damaged 'honour' is to punish and/or kill the</p>

	<p>individual. 'Honour' based violence is a term that is widely used to describe this sort of abuse however it is often referred to as <b>so called 'honour' based violence</b> because the concept of 'honour' is used by perpetrators to make excuses for their abuse. There is a very strong link between 'honour' based violence, forced marriage and domestic abuse. The term 'Honour Based Violence' is the internationally recognised term describing cultural justifications for violence and abuse. Honour Based Violence cuts across all cultures and communities: Turkish, Kurdish, Afghani, South Asian, African, Middle Eastern, South and Eastern European for example. This is not an exhaustive list. Where a culture is heavily male dominated, HBV may exist. The police have made it a high priority to help communities fight back to tackle both honour based violence and hate crime. The 'Honour Network Help line': 0800 5 999 247</p>

As with other forms of criminality or risk of harm, early intervention is always preferable. Schools, working with other local partners, families and communities, can help support pupils who may be vulnerable as part of wider safeguarding responsibilities. <p>Children Missing in Education (CME)</p>	<p><b>Children Missing Education (CME)</b> refers to 'any child of compulsory school age who is <b>not</b> registered at any formally approved education activity eg school, alternative provision, elective home education, <b>and</b> has been out of education provision for at least 4 weeks'. <b>CME</b> also includes those children who are <b>missing</b> (family whereabouts unknown), and are usually children who are registered on a school roll / alternative provision. This might be a child who is not at their last known address <b>and either</b> has not taken up an allocated school place as expected, or has 10 or more days of continuous absence from school without explanation, or left school suddenly and the destination is unknown.</p> <p>This is the link for Children Missing Education on the Worcestershire website  <a href="http://www.worcestershire.gov.uk/info/20595/behaviour_and_attendance/293/children_missing_education">http://www.worcestershire.gov.uk/info/20595/behaviour_and_attendance/293/children_missing_education</a></p> <p>Babcock Prime – Educational Welfare Team:  <a href="mailto:Primeedinvservice@babcockinternational.com">Primeedinvservice@babcockinternational.com</a>  <b>01905 678138</b></p>
<p>Missing Children and Adults Strategy (vulnerable children and adults who go missing)</p>	<p>Every year an estimated 200,000 people go missing in the UK. In some cases, missing adults may have made a choice to leave and 'start their lives over again', but the vast majority of missing people, children and adults, are vulnerable and need protection and support. The strategy has three key objectives which provide the right foundations for any effective local strategy to tackle this issue: Prevention - reducing the number of people who go missing, including through</p>

	<p>prevention strategies, education work and early intervention in cases where children and adults repeatedly go missing Protection - reducing the harm to those who go missing, including through a tailored, risk-based response and ensuring agencies work together to find and close cases as quickly as possible at a local and national level Provision - providing support and advice to missing persons and families by referring them to agencies promptly and ensuring they understand how and where to access help. The police should be informed if any child or adult goes missing. The Missing Children and Adults strategy can then be referred to for further information and help. It is a home office publication (2011).</p> <p><a href="https://www.gov.uk/government/publications/missing-children-and-adults-strategy">https://www.gov.uk/government/publications/missing-children-and-adults-strategy</a></p> <p><a href="https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/117793/missing-persons-strategy.pdf">https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/117793/missing-persons-strategy.pdf</a></p>
Children with family members in prison	<p>Approximately 200,000 children have a parent sent to prison each year. These children are at risk of poor outcomes including poverty, stigma, isolation and poor mental health. NICCO (<a href="http://www.nicco.org.uk">www.nicco.org.uk</a>) provides information to support professionals working with offenders and their children to help mitigate the negative consequences for these children.</p> <p><a href="https://www.solgrid.org.uk/education/safeguarding/child-protection/issues/children-family-prison/">https://www.solgrid.org.uk/education/safeguarding/child-protection/issues/children-family-prison/</a></p>
Children and the court system	<p>Children are sometimes required to give evidence in courts, either for crimes committed against them or for crimes they have witnessed. There are two guides to support these children which can be found at <a href="http://www.gov.uk">www.gov.uk</a> (<b>young witness booklet for 5 to 11 year olds</b>) which is a pdf. There is also a document called <b>“going to court and being a witness age 12 to 17”</b> which is also found at <a href="http://www.gov.uk">www.gov.uk</a>. Making family arrangements via court can be stressful and entrench conflict in families. The ministry of Justice has just launched an online dispute resolution service. This can be useful to parents and carers. Got to <a href="http://www.gov.uk">www.gov.uk</a> and search for <b>“get help with arrangements.”</b></p>
